Re: *Revision of Part 15 of the Commission's Rules to Permit Unlicensed National Information Infrastructure (U-NII) Devices in the 5 GHz Band*, ET Docket No. 13-49

*Office of Engineering and Technology and Wireless Telecommunications Bureau Seek Comment on 5GAA Petition for Waiver to Allow Deployment of Cellular Vehicle-To-Everything (C-V2X) Technology in the 5.9 GHz Band*, GN Docket No. 18-357

Dear Ms. Dortch:

On April 26, 2019, Audrey Connors of Charter Communications, Brian Josef and David Don of Comcast Corporation, Rick Chessen of NCTA – The Internet & Television Association, Austin Bonner of Harris, Wiltshire & Grannis LLP, and I met with Aaron Goldberger, Wireless and International Advisor to Chairman Ajit Pai. During the meeting, we encouraged the Commission to adopt a Further Notice of Proposed Rulemaking that takes a fresh look at the 5.9 GHz band and proposes to open the band to unlicensed operations.

Pursuant to the FCC's rules, I have filed a copy of this notice electronically in the above-referenced dockets. If you require any additional information, please contact the undersigned.

Sincerely,

Paul Margie  
Counsel to NCTA
